Tuition & Registration

Classes run continuously from September through June (with the exception of spring and winter breaks) unless designated otherwise. Tuition is based on a 38 week school year and is invoiced in 4 installments or sessions. Each session represents one quarter of the school year and is not considered an individual course (each session does not always equal 10 classes). Tuition is based on the number of class hours a student takes per week and can be calculated by using the tuition chart on back of the brochure.

Wayne Ballet uses an online system for registration, class selection, and tuition payments called the Parent Portal. You can find a link to the parent portal on our website www.wayneballet.net

A Registration Fee of \$35 per student or \$50 per family (two or more students) is applicable to each season and is due at the time of enrollment. We accept registrations throughout the year for most classes, so it is possible to enroll at any time throughout the year and tuition can be pro-rated accordingly.

Tuition is due 2 weeks prior to the start of the new session.

You will receive an email with the invoice and due date for each session. Tuition is due regardless of whether you have received an invoice so please remember to check the website calendar and bulletin board for due dates. If you enroll in AutoPay through the Parent Portal we will automatically bill your credit card when the next session payment is due. Wayne Ballet's primary means of communication is through email so be sure to provide your current email when completing registration. **Wayne Ballet will automatically bill each session from Sept to June, unless notified otherwise. Please note that it is your responsibility to notify Wayne Ballet if you choose to drop a class.** Bi-weekly late fees of \$25 will continue to accrue until your account balance is paid. We strongly recommend enrolling in AutoPay to avoid late fees. If you are enrolled in AutoPay please be sure to update your account if you receive a new credit card.

Tuition payments are non-refundable and non-transferable. However, we do have a flexible policy for the youngest students who are eager to dance but who may not be quite ready for the classroom environment. If this is the case

we will apply the balance to a future session up to one year from initial date of registration. Sometimes just a few months can make a big difference.

Monthly payment plans are available under certain circumstances- please contact our office for more information. In the case of monthly payment plans tuition is calculated using the same scale and cannot be pro-rated once a session has begun.
